## Sophisticated accommodation.

Adding to the already impressive conference facilities and accommodation are the Willinga Park gardens, 10 acres of degraded grazing country that has been transformed into a vibrant natural wonderland. Featuring mostly native Australian plants, with water features throughout, it's a great space to disconnect and enjoy down time during your event.

Our permanent sculpture collection is also distributed throughout the gardens. With a variety of intriguing works by national and international sculptors, the collection will help inspire creativity and grand thinking.

## At Willinga Park's doorstep.

Just 2.5 hours northeast of Canberra and 3.5 hours south of Sydney, Bawley Point is a jewel on the Shoalhaven coast and a playground for nature lovers. Sweeping sandy beaches, wild coastlines and unspoilt national parks are all within easy reach of Willinga Park. Our remarkable locality provides an opportunity for your delegates to disconnect from the office, immerse themselves in nature and connect with purpose.

Through our strong relationships with local providers, we can help create truly memorable, tailored experiences for your delegates. You can explore trails on horseback, hike mountain summits with knowledgeable local guides, sample famed, local produce or learn about the area's rich indigenous history.

We are here to help organise authentic activities to make the most of your time in this beautiful area.
